Sept. 30.—"Bringing Up Father"
Walter's Theatre.
Oct. 9.—Gettysburg's Annual Farmer's Day Observance.
Oct. 12.—Dedication of Webb Monument at the Angle.
Oct. 16.—Annual Autumn Leaf Excursion. Topton Day.

SCHEDULE CHANGE

Earlier Hours for Two Western Maryland Trains.

The fall schedule of the Western Maryland goes into effect to-morrow, Sunday. The only changes are in the morning train east which will leave at 8:31 instead of 9:39; and in the evening train west which will leave at 5:30 instead of 6:56.

BOYS BATTLE IN MUD AND WATER

Wallow about on Nixon Field in Mad Efforts to Bind Each Other Hand and Foot. Nothing Serious, only a Class Scrap.

Through mud inches deep, some two hundred Gettysburg College students charged upon each other on Nixon Field this afternoon, their faces smeared over with red paste, their clothing the oldest in their possession, and each one waving aloft pieces of rope with which he hoped to bind hand and foot some one of his fellows.

It was the occasion of the annual tie-up which is always staged the first Saturday after the opening of the college year. This is the first time that it was ever held in the mud, and an amazing sight it was.

At one end of the field were lined the Freshmen, 128 of them. At the other end were the Sophomores, considerably less in number but profiting by the conduct of a similar fray last year and well versed in the manner in which to go about the proceeding. The Freshmen, not acquainted with each other, had daubed a sort of paste over their faces so that they could distinguish friend from foe, once the battle was on.

Each side divided its men into squads of five, with a captain for each squad. At a given signal the two long lines charged down the field pell mell toward each other. Through mud and water over their shoe tops, they ran, yelling like Indians all the while, and with a mighty crash they met in midfield. Immediately the wildest sort of a scramble was on, the object of each side being to see which could tie, bind hand and foot the most members of the other class and carry them back of a prescribed goal line. Upper classmen, clad in grotesque costumes mingled among the struggling groups to see that there was no unnecessary roughness or foul play.

Soon the well organized squads and their captains became separated as their members were tackled and thrown down by opponents and there were frequent cries of "Help me, Freshmen," or "Come quick, Sophomores," as some one would find himself in imminent danger of being carried off ingloriously. For fifteen minutes they wallowed around in the mud to the great delight of spectators who finally saw the entire outfit called off at the end of fifteen minutes time, each man coated with mud that had completely ruined every stitch of clothing on his body and required a shower bath of many minutes duration to remove from his person.

The tug-of-war between ten men of each class preceded the tie-up. The result of the two contests has no bearing on the carrying out of the Freshman rules, and, win or lose, they must wear their caps, their green tags, their black hose, and abstain from many pleasures that are under the ban.

FOUND ON TRACKS

Suppose that Man Put off One Train was Struck by Another.

Friday night a passenger from Hanover on the train due at Gettysburg at 11:22 was put off at Bittings when he refused to furnish his fare. The man is said to have been intoxicated. Early this morning a man was found along the tracks with his head badly cut and an arm broken. It is supposed that it is the same man and that he was struck by regular freight 217 which arrived here after midnight. The injured man was taken to York hospital this morning and was accompanied by the local Western Maryland physician, Dr. H. M. Hartman. In one of his pockets was a card bearing the inscription "J. W. Rudolph, Carpenter." Nothing else is known concerning his identity. He was conscious at times, but would later lapse into a stupor.

REQUEST GRANTED

Pastor will Get Hearing before Governor Brumbaugh.

The Rev. W. M. Seligman, Lutheran minister, who was barred from preaching at White Pine Sanatorium, will get a hearing before Governor Brumbaugh at an early date. The Inter-Church Federation of Franklin county has asked for it.

JUDGE SADLER IN SENTENCE COURT

Uses Method New to Adams County Court in Placing Man under Parole with Penitentiary Sentence, if it is Violated.

Judge Sadler, of Carlisle, presiding in Adams County Court this morning in the absence of Judge Swope, pronounced sentence on three prisoners all of whom pleaded guilty.

The first called was Stanley Stape, of Gettysburg, who admitted the theft of a collection of coins, and some jewelry from the Marine officers' camp, and some athletic material from the college. District Attorney Wible stated that it was the first offense and that he merely asked that the boy be paroled. R. F. Topper Esq., representing young Stape, presented a petition asking leniency. It was signed by almost every member of the Bar and a number of prominent citizens, 63 in all.

Judge Sadler imposed a fine of \$5 and a Penitentiary sentence of one year in each case, and then stated that the sentence was suspended and the young man placed under parole for a period of sixty days or as long as the Court determined. "You are a nice looking youth," Judge Sadler said, "and there is no reason why you should not behave yourself and lead a useful life. It will do no harm to have this sentence hanging over you, and you will understand that if you violate your parole there is punishment coming."

In addition to the Penitentiary sentence, Judge Sadler also ordered that Stape pay a fine of \$5 and costs in each case, and that the stolen goods be restored, or their value paid to the owners.

Two Baltimore negroes, arrested at the time of last Monday's excursion, were next called. Both pleaded guilty to minor charges and sentence was suspended but the men were told that they would be released only after the costs of the prosecution had been paid. "There is no reason," the Judge said, "why you should come up here to Gettysburg, and annoy the citizens, and then be arrested, only to have Adams county pay the costs entailed. You will be released upon paying the costs, and I would advise you to go back to Baltimore and never to come to Gettysburg again."

Several transient matters came before Court which lasted but a short time.

BADLY HURT

A. S. Perdue in Bad Spill on the Hanover Track.

A. H. Perdue, 70 years old, of Winchester, Va., was seriously injured at the Hanover Fair Friday afternoon. He was driving in the 2:18 class racing race and while scoring among a big field of horses one of them suddenly broke and caused a collision.

The veteran horseman was thrown heavily from his sulky and narrowly escaped being run over. He was carried from the racetrack by United States artillerymen, encamped on the grounds, and a government surgeon found his shoulder fractured and severe lacerations. Despite his injuries and showing remarkable fortitude, the gray-haired turfman pleaded in vain for permission to finish the race. His horse circled the track twice before a negro made a flying jump to the sulky and stopped the runaway amid plaudits from the grandstand.

TO GET WIRELESS

Boy Scouts Make Plans for the Coming Year.

A meeting of the Gettysburg Boy Scouts was held Friday night when they elected officers for the year as follows: Scoutmaster, Harry Saul, Gettysburg College; assistant scoutmaster, Charles Wagner; drummer, Paul McClean; bugler, Joseph Williams. It was decided that the meetings will be held Friday night of each week. A wireless outfit is to be secured for the troop.

REGULARS HERE FOR LONG CAMP

Battery of Artillery Arrives in Gettysburg to Spend Four Weeks Awaiting Webb Dedication. Encamped West of Town.

Battery E, Third United States Field Artillery, rumbled into Gettysburg about eleven o'clock this morning to remain here until after the dedication of the General Webb monument at the Angle on October 12th when they will participate in the exercises. They will be encamped during their stay here, west of town between Lee's Headquarters site and Reynolds' avenue.

Battery E is in charge of Captain C. N. Jones; First Lieutenant T. D. Osborne, First Lieutenant G. H. Paine, Second Lieutenant H. Beukema. The command is composed of 150 men and presents quite a formidable appearance.

Batteries E and F of the 3d Field Artillery were at Tobyhanna all summer participating in the maneuvers and left there only a short time ago on their return to Fort Myer. They arrived in York this week and there divided; Battery F going on to Washington and Battery E being sent to Gettysburg following a request from the New York Monuments Commission for sufficient guns to fire a salute at the Webb dedication. The War Department felt that it would be better policy to send the men into camp here, than to have them return to Fort Myer and then come back again in three or four weeks.

On the way from York to Gettysburg, Battery E stopped at Hanover going into camp on the Fair Grounds for two days and proving quite an attraction while they were there. Through efforts of prominent residents an exhibition drill was ordered and given Friday morning in the presence of a large number of people. It has not been stated whether or not such drill will be given in Gettysburg during their stay here. The regular camp routine will, of course, be observed.

DR. DAVID F. MCKINNEY

Was Surgeon in Adams County Soldiers' Commands.

Dr. David F. McKinney, well known among the Civil War veterans of this county, died at his home at Arcadia, Frederick County, Thursday evening, in his eightieth year. He was one of the best known Union veterans in this section and had an enviable record in the great war between the States, having served through its entirety as a surgeon. It was his broken health as the result of his service in the United States volunteer army that caused him to purchase the home and move to Frederick county.

Dr. McKinney received his early education in the public schools of Jersey Shore and then entered the University of Pennsylvania, from which he was graduated in 1861. Immediately upon graduation he enlisted in the Eighty-seventh Pennsylvania Regiment of Volunteers and was made a surgeon with the rank of major. He was with his regiment in every battle in which it participated.

A number of Adams County "boys" belonged to the command to which he was attached.

At the close of the war, suffering bad health from long service in the field, he purchased his home at Arcadia from Robert McGill and has lived there since.

He is survived by his widow, two sons, William H. and D. Trego McKinney, at home, and a brother, J. Harris McKinney, of Jersey Shore.

The funeral will take place Sunday afternoon.

TAKEN SUDDENLY ILL

Three Physicians Attending Patient here. Formerly of East Berlin.

William G. Leas, of York, formerly of East Berlin, was stricken with paralysis Friday afternoon while in Gettysburg. A local physician was summoned and later Dr. Meisenholder, of York, and Dr. Elgin, of East Berlin, were called. The patient was in a critical condition all night, but is reported as somewhat improved to-day.

WANTED: reliable man as bartender at once. Hotel Wabash.—advertisement 1

NO RE-HEARING FOR WM. EYLER

Adams County Murderer Destined to Stay in Penitentiary for a Few More Years. Pardon Board Refuses Lawyer's Request.

The State Board of Pardons on Friday refused to grant a re-hearing to William Eyer, now serving a life term in the Eastern Penitentiary for the murder of Howard Miller at the Globe Hotel, Gettysburg, on May 30, 1906.

Some months ago a Philadelphia attorney, who became interested in Eyer's case, endeavored to have him pardoned, and tried to get local influence brought in behalf of the Emmitzburg man who was convicted and sentenced in the local courts on a first degree murder charge. Eyer, it will be recalled, had his sentence commuted to life imprisonment after the date for his execution had been set.

The recent effort to have him freed failed utterly, and the latest effort to secure his release was equally unsuccessful, the Pardon Board refusing to re-open the case at all.

Eyer, it will be recalled, was the last murderer tried in this county. The crime for which he is now paying the penalty of life imprisonment was committed when he struck down Miller with an iron pump handle in the bar room of the hotel. Miller sustained a fractured skull and died the following day. Eyer fled after he struck the fatal blow but was captured the same evening near Emmitsburg.

He was brought back to Gettysburg, tried and convicted, refused a new trial; the case was carried to the higher courts without success and then taken to the Board of Pardons where action was taken saving the man from hanging but sending him to prison for life.

With the present unsuccessful attempt to secure his release, it is likely that the matter will not be brought up again for some time. Eyer, it is declared, is a model prisoner, industrious, and regarded highly by the warden and other officials at the institution.

GOLDEN ANNIVERSARY

Celebrates Dedication of Fifty Years Ago. Ten Charter Members.

The congregation of St. Mark's church, Hanover, Rev. George W. Nicely, pastor, will celebrate the fiftieth anniversary of its dedication with an attractive program, commencing Sunday evening, and continuing three days. The only living ex-pastor, Rev. George Scholl, D. D., will deliver a sermon during Sunday evening. Other speakers on the program are Rev. W. A. Kump, Chambersburg; Rev. J. J. Hill, president of the West Pennsylvania synod, and Rev. J. Wilson Bixler, of New London, Conn.

There are ten of the charter members of the congregation still living. They are Miss Emily Young, Charles Newman, Mr. and Mrs. D. F. Forney, Miss Millie Eichelberger, Malcolm Naill, Samuel Michael, Mrs. George Grove, Henry A. Bair and Miss I. Caldwell, now a missionary in India.

DEDICATE MONUMENT

Antietam Anniversary Marked by Ceremonies of Survivors.

A 15-foot granite monument, erected by the State of New York in memory of the men of the Fourteenth New York Regiment, of Brooklyn, who fell at Antietam, was unveiled and dedicated Friday on that battlefield, at Sharpsburg, on the fifty-third anniversary of the battle. The monument is erected on Cornfield avenue.

About 500 persons witnessed the ceremonies, which were in charge of Colonel Lewis R. Stegman, Colonel Clinton Beckwith and General Horatio C. King, of the New York State Battle Monument Commission, and P. W. Ostrander, chairman of Fourteenth Regiment Civil War Veterans' Association, of Brooklyn, which initiated the proposition to erect the monument. About 50 survivors of the Fourteenth Regiment, with their friends, were present and participated in the ceremonies. Addresses were made by several veterans.

Sept. 20, 21—Convention. Harrisburg District of Methodist Church.

GAVE FLOWERS TO RAILROAD HEAD

Gettysburg Girl is Chosen to Present Bouquet to President Gray, of the Western Maryland. Many Go on Big Picnic.

Gettysburg sent its full share to the big picnic given by the Western Maryland to its employees at Hagerstown to-day.

The following from this place left on one of the special trains of the Baltimore and Highfield division: Mr. and Mrs. Charles W. Myers, Charles J. Myers, Harry E. McClellan, Earl E. Eicholtz, Harry F. Breighner, Erney L. Myers, Frank Tawney and children, Mrs. William Zinkand, Miss Edna Zinkand, William Zinkand Jr., Mrs. W. E. Biddle and two daughters, Robert Hartdagen, J. S. Tennant and children, David S. Hankey and four children, Mr. and Mrs. Harry McCans, Howard Smith, Mr. and Mrs. Jacob S. Snyder and two children, Mr. and Mrs. Charles McKinney, Christopher C. Benson, Richard Hanky, Mr. and Mrs. D. E. A. Hankey and daughter, Mr. and Mrs. L. D. McCadden and two children, John McCadden, Samuel McKinney.

Nine special trains were run covering every portion of the Eastern Division and the attendance was expected to run into the thousands. Practically all the Gettysburg employees were present themselves or were represented by members of their families. Duties here compelled some to give up the pleasure of attending. All were instructed to come without money as the road was going to furnish everything and there would be no opportunity to spend.

In token of the employees' appreciation for the good time provided by the Western Maryland, one young girl was chosen from each of the fourteen sections of the division to present bouquets to President Gray and General Superintendent Samuel Ennes. Miss Helen Tennant was given the honor of making the presentation from this section, and took with her two large bunches of asters.

An elaborate dinner was served the employees and their families at noon, and an entertainment program occupied the entire day. The event was held on the Hagerstown fair grounds.

TRAIN HITS AUTO

Mrs. Codori Thrown from Machine at Buford Street Crossing.

For the third time in as many nights, an automobile accident occurred here Friday evening when the Ford car of A. S. Mills was struck by the evening Reading passenger train at the Buford street crossing.

Mr. Mills' daughter, Mrs. William F. Codori Jr., was thrown from the machine and painfully cut and bruised, but not otherwise hurt. The other occupants of the car were not thrown out and were unhurt. They were Mr. and Mrs. Mills, their young granddaughter and two other little children. The automobile was wrecked.

The train was backing around the "Y" when the accident occurred. Mr. Mills was coming into town and heard the air whistle blown by Baggage-master Sheely but believed when he crossed the first of the two tracks that he was safe. The office of Kelly and Oyler in the angle obstructed his view and a moment later the car was struck. Mr. Sheely stopped the train by means of the emergency cord and doubtless prevented a more serious result.

Mr. Codori who was summoned to the scene fainted when he reached it but was soon revived by the physician attending his wife. Mrs. Codori's injuries, while of a painful nature, are not considered to be serious.

SEMINARY OPENING

Public Exercises will be Held Next Tuesday Morning.

The formal opening of the Gettysburg Theological Seminary will take place next Tuesday, September 21, when the address will be made by Dr. J. A. Clutz, of the faculty. The exercises, which will be open to the public, will occur at ten o'clock. The enrollment at the institution this year promises to be about the same as usual.

Sept. 21—Theological Seminary Opens for Term.

EXPLORER SAFE; FINDS NEW LAND

Stefansson Spent Seven Months on the Ice.

FIRST WORD SINCE APRIL, 1914

Recounts His Thrilling Quest in the Frozen Arctic for Shelf of Polar Continent.

Nome, Alaska, Sept. 18.—Vilhjalmur Stefansson, the Canadian explorer, who was believed lost in the Arctic, not only is alive and well, but has discovered a new land in the north and accomplished practically every purpose for which his hazardous journey was undertaken, according to word brought here by the power schooner Ruby, which arrived from Herschel Island.

Stefansson, with two companions, Storker Storkerson and Ole Anderson, set out from Martin Point, Alaska, March 22, 1914, over the frozen polar ocean in search for supposed new lands in the Beaufort sea.

Captain S. F. Cottle, master of the Ruby, says that Stefansson is now on Banks Land, east of the Mackenzie, outfitting for continuance of the explorations to the westward to ascertain the full extent of the new land he has discovered southwest of Prince Patrick Island. Stefansson discovered a continuation of the continental shelf several degrees west of Banks Land and even determined its southern limits, but was unable to continue his explorations to the north and west.

Stefansson told Captain Cottle that after leaving the supporting party on the ice north of Martin Point he and his hardy companions set their faces to the north, but after continuing their journey ninety days they decided to return to land. They turned back and landed on the mainland at a point near which the power boat Mary Sachs, of the Stefansson expedition, was wintering. Here the three men outfitting for another three months' trip. They again went upon the ice, going north and west and discovering the continental shelf.

Stefansson at some time exploring his land, but at length, owing to scant provisions, was compelled to return to the Ruby. He has been on the ice for nearly seven months. The return to shore was accomplished with great difficulty. The men subsisted on the most meager rations, but kept moving day after day. The dogs were almost famished. Finally the party arrived at Banks Land, thoroughly worn out. For seven months they had been on scanty rations, traveling almost continuously.

Stefansson and his companions made their way from Banks Land, which is uninhabited, to Ballie Island, where a whaler, Captain Louis Lane, cruising on his power schooner Polar Bear, found Stefansson and his companions making their way along the southwestern coast of Ballie Island. They were in excellent health and spirits and eager to reach the southern wing of the expedition, that they might obtain supplies and continue their explorations. Stefansson had expected to fall in with the Polar Bear, just as he did. He immediately chartered the schooner and, with Captain Lane, proceeded northward at once in the hope of making further discoveries while the sea was open and free of ice. The season was too far advanced, however, and the explorers reluctantly steered for Herschel Island.

CHURCHILL ADMITS CHECKS

Says Allies' Plans in Last Five Months Have Been Failures.

London, Sept. 18.—Lord Winston Churchill, addressing the munitions workers in Englefield, said that during the last four or five months things had not gone so well with the allies as had been expected.

"Three events of military importance have counted against the allies," said Churchill. "These, however, are in no wise disastrous and can be called only in the nature of disappointments."

One of these was the fact that a series of costly attacks made on the Germans in Flanders, although they gained ground for us, failed to pierce the lines of the enemy. The second was that in the Dardanelles, although we have gained in valuable ground, we have not gained the advantage that was our aim.

U. S. Recognizes Haitian President.

Washington, Sept. 18.—The government established by Dr. Dartigueauve in Hayti was recognized by a salute of twenty-one guns from the American cruiser Washington. Admiral Caperton advised the navy department. The salute was returned gun for gun by a Haitian shore battery, after which Caperton paid an official call on the new president, accompanied by his staff.

Foraker Seriously Ill.

Cincinnati, Sept. 18.—Former United States Senator Joseph Benson Foraker, of Ohio, is seriously ill in a hospital here. It is understood that his friends that hope for his recovery has been practically abandoned.

GERMANY WILL GIVE 'FULL SATISFACTION'

Arabic and Hesperian Cases Will Soon be Closed.

Berlin, Sept. 18.—German newspapers were authorized to announce that the government will give full satisfaction to the United States on the Arabic and Hesperian cases and that within a short time the incidents will be closed.

The "Cologne Gazette," commenting on the announcement, hinted that a financial mission would go to America, adding: "Germany has the greatest possible interest in American finance. It must not be considered a sign of weakness if Germany, within a week or two, gives full satisfaction to Washington for the Hesperian and Arabic cases."

"The foreign office handed to Ambassador Gerard a note which it is asserted that the attack by a submarine on the U. S. ship Oregan was made only because that vessel was trying to escape."

Following a conference between Foreign Secretary von Jagow, Under Secretary Zimmermann and other officials who have taken a leading part in the diplomatic negotiations between the United States and Germany, it was officially stated at the foreign office that the government is confident there will be no break in the friendly relations between the two countries.

LIGHTNING HITS SCHOOL

Seven Pupils Burned and Others Injured by Falling Bricks.

Hazleton, Pa., Sept. 18.—Lightning struck the chimney of the school house at Upper Lehigh, a mining village north of here, and seven children, who had just been called in from recess when the storm broke, were burned seriously.

Alfred Lesser, one of the victims, had one shoe burned entirely off and his clothing set afire. The other children were burned about the body.

Falling bricks from the shattered chimney came through the ceiling and slightly injured some of the other pupils, all of whom were in a near panic until teachers calmed them and summoned medical aid.

18 FUSES ON SANT' ANNA

Many Explosions Occurred on Italian Liner Which Took Fire at Sea.

Washington, Sept. 18.—A dispatch to the state department from the American consular agent at Ponta Del Gada, Azores, said that eighteen fuses were found in No. 2 hold of the Fabre Line steamship Sant' Anna, on which fire started while bound from New York to Naples. Many explosions took place, according to the dispatch.

BRITISH TRANSPORT SUNK

Torpedoed by Austrian Submarine in Adriatic.

Vienna, by way of Berlin, by wireless to Tuckerton, Sept. 17.—An Austrian submarine commander by Lieutenant von Trapp torpedoed and sunk a large British transport a few days ago in the southern Adriatic, according to an announcement made here.

Russians Sink Sailing Fleet.

Sebastopol, Sept. 18.—Official announcement was made here that Russian torpedo boats had sunk near Sinope, a seaport of Asia Minor, on the Black sea, an entire fleet of sailing vessels laden with munitions of war. The crews of these vessels were taken prisoners.

240 Deaths from Starvation.

Mexico City, Sept. 18.—During the period from August 1 to September 10, 240 persons died of starvation here. It is feared that the death rate will increase, as the American Red Cross has been compelled to abandon its relief work for lack of funds.

RUSS ADMIT GERMAN ADVANCE

Invaders Cross River North of Vilna.

CZAR DEFEATED AT PINSK

Austro-Germans in Galicia Have Beer Reinforced and Are Offering a Stubborn Resistance.

Petrograd, Sept. 18.—While the general staff continues its claim of Russian success on the extreme southern front, admissions made in the official statement indicate that the Austro-German offensive in the northern sector and in the center has lost none of its strength.

The czar's staff conceded important gains for the Germans.

Most significant of the Russian reverses is that in the region north of Vilna, where the invaders have forced a crossing of the Viliya river.

A reverse near Pinsk, in Russia, 100 miles east of Brest-Litovsk, is also admitted. This would indicate that the Russian center has found itself unable to cope effectively with the onslaught of the enemy.

The Russian drive in Galicia is not going forward with the speed which has marked its advance during the past week. Apparently the Austro-Germans in that region have been reinforced and are offering a more tenacious resistance.

"Southwest of Pinsk we repulsed repeated German attacks close to our entanglements between the Dvinsk road and Lake Semasa. Detachments of German cavalry appeared in the region of the Molodetchno-Polotsk railway."

"Further northwest of Vilna the enemy succeeded in crossing to the left bank of Viliya. Southeast of Orany the Germans are attempting to cross the river Versovka, where it enters Lake Tchanka."

"In the direction of Pinsk our troops are falling back under the enemy's pressure. In the district of Nijniatoshod we repulsed an enemy attack against Ugrinitchi."

"The enemy continues his counterattacks in the Derazno region, and different parts of our front in Galicia badly shaken, the enemy is seeking by these counterattacks, to consolidate his positions, but these efforts even in the best circumstances, are followed by small local success and our troops continue successfully to fill their tasks."

"West of the village of Pendiyl, in the Derazno region, we took 410 prisoners and four machine guns. By the capture of a distillery and a cemetery near Derazno we took 700 prisoners and four machine guns, repulsing desperate enemy counterattacks."

"Sunday's Vienna official statement announces that we were repulsed toward the bridgehead of Tarnopol and suffered excessive losses near Tarnopol, but the enemy has no information from which to judge the extent of these losses for the reason that in the fighting of the 10th and 11th we held everything. The following days in spite of reinforcements which arrived, the enemy was driven back still further west of Tarnopol toward the villages Gliadki and Zebroff and even part of the line of the river Stripa."

Germans Gain Near Dvinsk.

Berlin, Sept. 18.—Field Marshal von Hindenburg's forces, which have flanked Vilna and Dvinsk, cutting the railroad between those cities, have made a further advance to the east. The war office announced the capture of Vidzy, about thirty-five miles south of Dvinsk.

BOYS OPERATE ON CHUM

Lockjaw Follows Removal of Bullet from Lad's Foot.

Wilmington, Del., Sept. 18.—As the result of permitting two of his young friends to perform an operation on him, Howard Bruce, aged twelve years, of New Castle, is suffering from gangrene and tetanus and is in a serious condition.

Several days ago while Bruce was handling a rifle the weapon was accidentally discharged and the bullet lodged in his right foot. Two of his friends got a razor and cut the bullet out. Several days later blood poisoning set in.

Warships Sail, Goal a Mystery.

Philadelphia, Sept. 18.—Two more units of the navy have sailed for "southern waters." The Kentucky and Kearsarge weighed anchor at the Philadelphia navy yard, carrying large quantities of supplies and ammunition. It was officially announced that the Kentucky would stop at Pensacola, Fla., to take aboard a complement of marines, but her next stop being maintained as to the orders for the Kearsarge.

Find Boy Dying in Road.

Bedford, Pa., Sept. 18.—Authorities fear foul play in the case of Spencer Shaffer, fifteen years old, who was found dying from gunshot wounds in a field and intestines, not far from his home at Artwas, in the southern section of Bedford county. An investigation will be made.

WILL RECALL DUMBA FOR CONSULTATION

Vienna Intimates Intention to Ambassador Penfield.

Washington, Sept. 18.—The Austrian government intends to recall Ambassador Dumba for consultation, according to intimations given to Frederick C. Penfield, the American ambassador, when he delivered the note from the United States asking for the return of the ambassador to Austria.

Dispatches from Mr. Penfield conveying this information reached Secretary of State Lansing. They were dated last Tuesday. Mr. Lansing immediately arranged for a conference with the president.

Dr. Dumba's recall "for consultation," which is in accord with his own request for recall on leave of absence, is satisfactory to the American government. It is understood, however, that the ambassador would not return to the United States at the termination of his leave. The purpose of these arrangements, it is understood, is to cause no interruption in the diplomatic relations of the two governments, the change being looked upon as a personal affair.

FIND BOY LOST FIVE DAYS

Lad Lived on Berries and Herbs and Was Near Collapse.

Wilkes-Barre, Sept. 18.—Nicholas Wolshuck, fourteen years old, son of Rev. John Wolshuck, of Nanticoke, near here, and his companion, George Temple, fifteen, who had been missing since Sunday, returned to their homes after living in the nearby woods on wild berries and herbs since that time.

They were guided from the forests by a berry picker, who accidentally discovered them. The boys say they went to the mountains Sunday afternoon and lost their way. When found they were on the verge of collapse from exhaustion.

CONDEMNS F-4 TYPE SUBS.

Daniels Orders Boats Out of Commission Pending Examination.

Washington, Sept. 18.—Secretary Daniels ordered all submarines of the F-4 type out of commission until a thorough examination of them can be made.

His action was taken upon the report of the board of inquiry investigating the sinking of the F-4 at Honolulu on March 25, which ascribes the disaster to a battery explosion.

The F-1, F-2 and F-3 will probably be brought under convoy to the Mare Island navy yard for examination.

Tired of Being "Chinified."

Pekin, Sept. 18.—A technical school, modeled on the lines of the American West Point, will be established near Han Yang to train Chinese youths for military service. As a further step toward military preparedness the government arsenal at Han Yang will be improved.

WEATHER EVERYWHERE.

Observations of United States weather bureaus taken at 8 p. m. yesterday follow:

	Temp.	Weather.
Atlantic City....	82	Cloudy.
Boston.....	89	Cloudy.
Buffalo.....	66	P. Cloudy.
Chicago.....	79	Clear.
New Orleans....	80	Cloudy.
New York.....	75	P. Cloudy.
Philadelphia....	72	P. Cloudy.
St. Louis.....	80	Rain.
Washington.....	72	Cloudy.

The Weather.
Fair and somewhat cooler today; tomorrow probably fair; light northerly winds.

FLAT for rent: 34 Baltimore street, over Huber's Drug Store. Fine rooms with bath and all modern conveniences. Inquire at Times office.—advertisement

PERSONAL NOTES AND BRIEF ITEMS

Paragraphs of News Telling of the Happenings in and about Town People Visiting Here and Those Sojourning Elsewhere.

Luther Beidler, of North Washington street, made a business trip to Reading today.

Mrs. William F. Weaver and daughter, Miss Dorothy Weaver, of West Middle street, are spending the day with friends in Hanover.

Mrs. Anna Hoffheins has returned to her home in York after a visit at the home of her parents, Mr. and Mrs. C. E. Spangler, North Washington street.

W. D. Armor and sons, Brady and Horace, of East Middle street, are spending the day in Hanover.

Miss Annie Slonaker, of Baltimore street, is spending the day in York.

Mrs. N. H. Musselman and daughter, of East Middle street, are visiting friends in Hanover today.

Mr. and Mrs. Henry Stewart, of West Middle street, are the guests of friends at Fairfield for several days.

Mrs. H. J. Rupp, of West Middle street, has gone to Hagerstown, where she will visit at the home of her son, Robert Rupp, and family.

Rev. Dr. L. L. Sieber, of West Middle street, has gone to Thurmont, where he will preach in one of the churches in that place Sunday.

Miss Grace Burger, of Baltimore, is visiting at the home of her sister, Mrs. Norman Reichle, West Middle street, for several days.

Miss Lillie McClean, of East Middle street, has gone on a visit of several days to the home of her brother, Rev. Robert McClean, Mechanicsburg.

Mrs. Benton Gilbert, of West Middle street, is spending the day in Hanover.

Dr. and Mrs. L. L. Cooper and daughter have returned to their home at Tyrone after a visit at the home of Mrs. Mary Miller, Baltimore street.

Mrs. Minnetta Brauer and Miss Gertrude Baker, of Baltimore, are spending two weeks at the home of Mr. and Mrs. Charles Kappes, on North Strata street.

Mrs. John A. Schelling has returned to Valparaiso, Indiana, after spending several weeks with Mr. and Mrs. Penrose Myers.

Miss Kathryn Deardorff, of West Middle street, visited friends in Hanover this week.

Mr. and Mrs. Frank Habenicht have returned to Columbia, S. C., after a visit at the home of Jacob Stock, North Washington street.

Ralph and Robert Geiselman, East Middle street, were visitors with friends in Hanover this week.

MAKE CHANGE

New Restaurant Moves Kitchen from Basement to First Floor.

The Crystal Lunch Room, at the corner of Baltimore street and the Square, has been further improved through its proprietors renting the rear part of the nearby room formerly occupied by the delicatessen store. This will be used as the kitchen, the former kitchen in the basement of the building being responsible for the excessive heat in the restaurant. It is believed that the new arrangement will entirely do away with the old difficulty.

Why a Chinaman Laughed.

In the European quarter of Shanghai they were putting in a macadam road. The street was torn up and barricaded in the usual way. A sign about one foot high by two feet long bore this inscription: "Look Out For the Steam Roller." My Chinese companion, a leading merchant, burst into a loud laugh when he saw the notice and, pointing to it with one hand and the noisy, puffing, rattling steam roller with the other, said: "If a man can see that volcanic mountain of excited steam roller how in the world can he see a little sign?" And then he added retrospectively: "You foreigners have such peculiar ways!"—W. E. Aughtinbaugh in Leslie's.

LETTERS FROM COUNTY TOWNS

Correspondents send in Many Items of Interesting News from their Respective Towns. Personals and Many Brief Items.

TRACT

Tract—Mr. and Mrs. John Overholzer and Mrs. Louisa Fuss spent one day last week with Mr. and Mrs. Louis Bowling.

Raymond Warren and sister visited at the home of George Warren over Sunday.

Mrs. Driedorf and two children, of Oklahoma, are spending some time with her parents, Mr. and Mrs. A. M. Manahan.

George Rohrbaugh is on the sick list.

Miss Bertha Warren has returned home after spending two weeks with her aunt, Mrs. Maurice Hahn, of near Key Mar.

Mrs. I. B. McCleary, of Waynesboro, spent several days with her parents, Mr. and Mrs. D. Shorb.

Mr. and Mrs. Peter Bollinger spent Sunday with Mr. and Mrs. Theodore Bollinger.

Those who spent Sunday with Mr. and Mrs. D. T. Shorb were; Mr. and Mrs. A. R. Warner, Mr. and Mrs. I. B. McCleary, of Waynesboro, Mr. and Mrs. Charles Shorb and two sons, Mr. and Mrs. George Shorb and four children and Mr. and Mrs. Theodore Bollinger and two sons.

Mrs. J. Overholzer and Mrs. George Sanders who have been ill are very much improved.

Mr. and Mrs. William Bollinger and children were the guests of Mr. and Mrs. Theodore Bollinger recently.

YORK SPRINGS

York Springs—C. E. Pearson has purchased a Chevrolet touring car.

Mrs. Mary R. Trostle, who received a fall at the home of her son, Harvey B. Trostle, of Hanover, several weeks ago, is still confined to her home in this place.

After an absence from this locality for a period of eighteen years, David H. Pifer, of Wallace, Idaho, is the guest of his brother, D. W. Pifer, of Littleton township.

Col. W. W. Stewart, of Chambersburg, is the guest of his brother, Capt. D. M. Stewart.

Mrs. L. E. Diller and daughter are spending the week with Hanover friends.

A Huntingdon township farmer placed two loads of bird shot in a chicken thief who had invaded his hen roost on Saturday night but the local physicians have not been called up to render professional services so far.

A section of the State highway in front of the residence of C. E. Pearson has been in bad shape for some time and recently several machines had springs broken by dropping into this mud hole. Sunday evening C. F. Myers ruined a new tire on his automobile when he attempted to pull out of this mud hole. It was necessary to secure a rope in order to pull the machine out of the mud.

Both the wonder and sympathy of the citizens of the lower end of the borough were aroused on Tuesday when it was discovered that an unusually large frog had in some way or other gotten into one of the cisterns at the foundations of the new houses of C. E. Pearson at the edge of town. The wall of the cistern is fully two feet above the ground and the location is so high that a frog when jumping around there is surely outside his latitude. Cashier I. W. Pearson secured a ladder and liberated the prisoner, placing the frog in the run back of his residence where at night he sings forth his joy in the restoration of liberty.

FAIRFIELD

Fairfield—Miss Annie Winters, of Baltimore, is spending her vacation here at the home of Mrs. Kate Herling.

Mrs. Ruth Haugh and children have returned to their home in Richmond after spending a month with Mrs. Haugh's parents, Mr. and Mrs. John Marshall.

Miss Hilda Bender, of McSherrystown, spent several days at the home of J. U. Neely.

Miss Mary Neely has gone to McSherrystown to spend several days.

Miss Hattie McCreary is in Baltimore on a business trip.

Mrs. Fleck, of Harrisburg, is spending some time with her son, Rev. W. K. Fleck.

Mr. and Mrs. J. U. Neely have returned from a trip of several weeks to Philadelphia and New Jersey.

Misses Mary Musselman, Blanche Wheeler, Beatrice and Mary Harbaugh spent Sunday with H. L. Wortz and family.

Luther Wortz is spending some time with friends in York and Hanover.

ARENDTSSVILLE LUTHERAN
A rally day and commencement of the Teachers' Training Class will be held at Trinity Lutheran church, Arendtsville, on Sunday. Rally services will be held at 9:30 in the morning, with an address by William Ely, of Shippensburg; and the commencement at 7:30 in the evening with an address by Rev. W. K. Fleck, of Fairfield. A general invitation to attend is extended. Florists: Sunday School, 1 p. m.; preaching 2 p. m. by the pastor Mummasburg: preaching, 7 p. m.

For a Wedding Present.
Among the bride's gifts was one she found especially useful. A friend, who had found the government bulletins very helpful, sent for all those of special interest to homemakers and bound them neatly in a decorated cover bearing the title: "Suggestions From Uncle Sam." All who saw the gift thought it was a very clever idea.

The Real Thing.
It is not numbers that count but importance.

PARCEL POST TO BOOM TRADE.

Three Government Departments Join in Plan to Increase Export Business.

The postoffice department, the federal trade commission and the department of commerce have joined hands in a plan looking to a gigantic boom in American foreign trade through the medium of foreign parcel post.

The postoffice department is working out this program and, while maintaining secrecy concerning the details, announces that a formal statement outlining the plan will be made early in December.

The United States has treaties or other arrangements relating to the transmission of the mails with sixty-eight foreign countries, and Postmaster General Harrison expects to revise all these so that all restrictions on parcels will be removed. He is also attempting to bring about agreements under which parcel post matter may be sent to any of these foreign countries at a uniform rate of 12 cents a pound.

A general appeal will be made to American exporters to use the parcel post wherever it is possible in the transportation of their goods.

Sheer Tragedy

When Tommy bids farewell to joy
And glooms the whole day long,
When meals and movies only cloy
And everything seems wrong,
When he is lightly moved to rage
And all the time is fussed,
When he regrets the sporting page
With infinite disgust,
When ice cream soda has no lure
His appetite to thrill,
When even apple pie is sure
To make him sadder still,
When he is daily bowed with care,
The prey of dumb distress,
The haunted image of despair,
It's always safe to guess
That he has felt the bitter ache
Of love's elusive dream,
Or else he's found he cannot make
The high school football team.
—James J. Montague in New York American.

BUYS MOST DEADLY SHELLS.

Government Places Immense Order For New Six Inch Shrapnel.

Despite the secrecy surrounding the making of war munitions in the plant of the Westinghouse Electric and Machine company it was learned in Pittsburgh that an immense order has been placed with the Westinghouse company by the United States government for a new shrapnel projectile, said to be the most deadly effective weapon of its kind known to military science.

The new shells are of six inch caliber and twenty-one inches long. They contain eight separate parts, each one honeycombed. The most destructive explosive known to powder makers and said to be a late invention, secured by the United States government, will be used in the new shrapnel.

U. S. TROOPS FIGHT CARRANZA MEN

Lively 15-Minute Battle Across River at Brownsville.

STOPPED BY AN OFFICER

Says Irresponsible Band of Soldiers Started to "Shoot Up" Americans—Five Reported Killed.

Brownsville, Tex., Sept. 18.—American cavalrymen and Carranza soldiers had a fifteen-minute battle across the river near the city limits of Brownsville.

Soldiers report they killed one Mexican and hit five others. They saw about fifteen Carranza soldiers in two separate groups. None of the Americans was hit. Other reports say five Mexicans were killed. The dead and wounded were thrown into a small wagon and carried away.

The fight was stopped by a Carranza officer, who rushed up to his men and reprimanded them in strong language. He then shouted across the river to the Americans that the Carranza troops who fired had violated instructions. This officer was seen to beat some of the soldiers with his sword to stop the firing. The Mexicans withdrew.

The fighting started when a part of Troop C, Third Cavalry, under Lieutenant L. N. Glass, was sent to investigate the killing of a horse and the shooting into a house on the American side of the river by Mexicans in Matamoros on the Mexican side. Lieutenant Glass saw two bands of Mexicans on the opposite side of the river behind ditches. These Mexicans opened fire on the cavalrymen. Glass' men, about thirty in number, took positions in an irrigation ditch and replied to the Mexicans.

According to the Mexicans' officer who finally arrived to stop the fight, an irresponsible band of soldiers broke discipline and started to "shoot up" the American shore.

Troops were rushed to the international bridge to guard against any effort by the Matamoros garrison to rush it. Residents of Brownsville turned out to watch the battle.

Near Sebastian four or five men of the Twenty-sixth Infantry saw an equal number of Mexicans through the open spaces in the brush at some distance. The Americans opened fire, meanwhile advancing on the Mexicans. This maneuver exposed the soldiers to the direct fire from the partly concealed opponents. The Mexicans ran when they saw the soldiers were determined, and escaped in the darkness soon after the fight began.

That there are several parties of bandits still attempting to operate in this section was discovered twice by men of the Twenty-sixth Infantry. The other encounter was a brush with Mexicans near Los Fresnos, in which it is believed that at least one of the Mexicans was wounded.

The town of San Jose, twenty-five miles up the Rio Grande from here, a settlement composed exclusively of Mexicans applied for the protection of American soldiers. Colonel Bullard ordered a guard to San Jose at once. The appeal of the Mexicans for protection is an entirely new development in the border situation. San Jose men say they were all "good Mexicans" there.

MAY ACCEPT CARRANZA OFFER

Latin-American Conference Will Agree to Meet Commission.

Washington, Sept. 17.—Diplomatic and official circles received information that today's conference in New York between the Secretary of State Lansing and the Latin-American diplomats would be brief and will accept without any change Carranza's counter proposal to settle the Mexican question.

The conferees will agree to receive a commission from the first chief to "settle entirely all matters of international scope affecting Mexico, including the rehabilitation of the country and the payment of all foreign claims." If this commission can meet the wishes of the conferees, it is stated, then Carranza can be assured of eventual recognition.

90 Die in Mexican Wreck

Laredo, Tex., Sept. 18.—The wreck of a Mexican military train, resulting in the death of ninety persons, occurred one mile out of Saltillo. The train was the property of the Carranza army, and the soldiers members of the Carranza garrison of Saltillo, who were being transferred to Monterrey to reinforce the garrison there.

Exempt from Child Labor Law

Harrisburg, Sept. 18.—Juvenile workers in state forest nurseries are not to be considered as under the child labor law, but are declared to be engaged in a pursuit which can be classed as agricultural, according to an opinion just given to Robert S. Conklin, state forestry commissioner by Attorney General Brown.

Girder Falls and Kills Two Men

Wilmington, Sept. 18.—Two painters were killed while at work at the Edgemoor plant of the American Bridge company when a heavy girder fell and struck them. The identity of the two men has not yet been learned.

Got Light From Butter

Egyptians in the third century used to burn butter in their lamps instead of oil.

FORD URGES FLEET OF CHEAP U-BOATS

Tiny Submarines Could Sweep Sea, He Says.

Detroit, Mich., Sept. 18.—Henry Ford has a staggering blow for the "armament crowd" stored up ready for delivery when he holds a conference with Secretary of the Navy Daniels in Washington next week in connection with the naval advisory board.

"It would be no trick at all to build a submarine one-fourth of the size of those now in use that could carry a pill at the end of a pole with sufficient explosive power to hold the mightiest dreadnought out of the sea, and I am going to tell Secretary Daniels so when I see him," said Mr. Ford.

"And the best part of it is that these new submarines would cost only a fraction of what the present ones cost, and only a fraction of 1 per cent of what our latest dreadnoughts will cost," he added.

"That will be a heart-breaker for the armament people, for they are constantly urging us to build battleships that cost more and more. Dreadnoughts now cost \$15,000,000. Submarines equipped with gasoline engines for their entire motive power can be made to weigh a quarter of what the present ones do. They can be made to be propelled and guided, not only from side to side, but up and down in the water, entirely by their own power. They can be made to swim around with as much freedom of motion as a fish.

"The submarines of which I speak are coming as sure as fate if the nations refuse to disarm."

Cyclist to Die as Spy.
Geneva, Sept. 18.—The professional bicyclist Doerflinger has been condemned to death as a spy by a German court-martial. The Swiss government has requested clemency in his behalf.

Spy Shot in London.

London, Sept. 18.—It was officially announced that a spy, name not given was executed here after a trial.

The End in View.

Ellis—Why do you let him call you by your first name? Stella—I want to encourage him to help me get rid of my last name.—Judge.

THE KITCHEN CUPBOARD

BREAKFAST GEMS.

WHOLE Wheat Gems.—Materials: Three cupsful whole wheat flour, two rounded teaspoonfuls baking powder, one and one-half cupsful milk, two eggs, one tablespoonful sugar, two tablespoonfuls melted butter or other shortening.

How to Make.—Sift flour, baking powder, salt and sugar into bowl; add milk slowly; then add the well beaten egg and butter; mix well. Brush gem pans or muffin tins with lard; put a spoonful of mixture in each; bake in hot oven ten to twelve minutes.

Graham Gems.—Take about one pint of fairly thick sour milk, one rounded teaspoonful of saleratus, one teaspoonful of salt, two tablespoonfuls of molasses and graham flour to make a stiff batter. Have gem pans smoking hot and buttered when you drop in the batter. Bake about twenty minutes in a good hot oven.

Cornmeal Muffins.—Half a cupful of cornmeal, one cupful flour, three tablespoonfuls baking powder, two tablespoonfuls sugar, one tablespoonful melted butter, one teaspoonful salt, three-fourths cupful milk, one egg. Mix all together and bake in hot oven.

Popovers.—Two eggs, one cupful of milk, one-half tablespoonful of butter cut into the flour, one-half teaspoonful of salt, one teaspoonful of baking powder and one cupful of flour. Mix the dry ingredients and add the milk and eggs. Bake half an hour in a moderate oven.

Griddlecakes.—One and one-half cupsful of rich sour milk, one-half cupful of flour, one teaspoonful of soda dissolved in one teaspoonful of cold water and one and one-half cupsful of flour. Beat until smooth and fry on a hot, well greased griddle. This rule will make four cakes full as large as a tea plate. Pile on a hot plate with plenty of butter and sugar.

Graham Griddlecakes.—One cupful of graham flour, one-half cupful of white flour, one tablespoonful of sugar, two teaspoonfuls of baking powder, two eggs, one and one-quarter cupful of milk, one teaspoonful of salt. Scald the milk and pour on to the graham flour. When cold add the remaining ingredients. Beat well and cook regular griddle cakes.

PUBLIC SALE

OF LUMBER AND WOOD.

On FRIDAY, OCT. 1, 1915, the undersigned will sell on Dr. C. E. Goldsborough's farm on road from York pike to Hunterstown, 10,000 feet of lumber and wood, boards and scantling, all full edged, 2x4, 3x4, 4x4, from 8 to 20 feet long, 50 cords of oak and hickory slab wood 12 inches long, 25 acres of uncultivated trees, also standing timber in lots to suit purchasers, 150 oak posts and 100 cedar posts for wire fence, chips, chunks, edging, sawdust, ashes. HOWARD J. HARTMAN,

Logical Candidate for Sheriff

To the voters of Adams County:—

The office of the Sheriff is one of the most important in the County; its duties are more varied, and the occupant of the office is brought into business relations, many of them of an unpleasant nature, with more citizens than that of any other officer. The duties of the Sheriff therefore demand special qualifications—such as absolute fairness, honesty, sobriety, tact, good business sense and a fearless discharge of duty yet with a full consideration of the rights of others.

In Howard J. Hartman, the voters of Adams County have just such a candidate. Mr. Hartman is fifty years of age, and has been an active, progressive farmer and business man, his entire life having been spent, until recently, as a farmer in Mt. Joy Township. Mr. Hartman is one of our best known citizens and his special fitness and business integrity should appeal to the voters of the County.

Mr. Hartman was defeated for the nomination seven years ago by a small margin; he is therefore the oldest and naturally the logical candidate at this time.

The nomination of Mr. Hartman will insure to the people of Adams County a faithful and efficient administration of this office.

Big Following of a Strong Candidate

A Gentleman said to me the other day, "if the republican party of Adams County desires to nominate a strong man for sheriff, who will have strong chances for election in November, it ought to be C. J. Deardorff, of Franklin Township.

"First; because C. J. Deardorff is one of the most Popular and Progressive farmers in the upper end, a man who has a host of friends, who could do effective work for his election in November.

"Second; because from a political standpoint it would be a wise move on the part of the party. Franklin Township is, as most politicians know, a strong democratic district and by reason of the fact of Mr. Deardorff's strong personal and political following in the district, there is every reason to believe he can carry this stronghold for himself at least, and do much good for the party."

Now as to something about Mr. Deardorff; he was born in Franklin township in 1869, a son of Peter P. Deardorff, who served three years in Company B, 138th Regiment, Pa. Volunteers, and now a resident of that district. Mr. Deardorff has worked his way from a poor laboring boy to a business man. He is engaged in farming, in lumber manufacturing, and also in the fruit business. He has always worked hard for the party and I think he is a deserving candidate for the office. The foregoing is given with the full belief that the Republican party of Adams County is anxious to support the best candidate possible and a glance at the candidate's record and the reading of the brief biography cannot help but impress the reader with the unusual strength of the upper end candidate. He carried his home district by a majority of 82 for supervisor. I ask you all to support a man who can be elected and I wish to ask that as free thinking Republicans let us all turn out and work and support a man for sheriff that we can elect and will not be guided wrong. Mr. Deardorff is the only candidate in the western part of the County and this end is certainly entitled to its share of the patronage. Let us see if we cannot nominate a candidate in a different part of the county and have harmony, and be victorious with good will to all and malice towards no one.

Now Father will undoubtedly seek lessons elsewhere

DOINGS OF THE VAN LOONS

What to Wear this Fall

AMERICA'S pre-cminent Fashion Artists present to you their most beautiful designs and most authoritative styles in the new Wooltex Suits and Coats.

As The Store That Sells Wooltex in this city, it is our pleasure to bring these new fashions direct to you. They are charming; they are beautiful; they are refined; they are becoming; they are correct.

Such a collection of authoritative styles in tailored suits and coats is made possible only by the concentrated efforts of artists who, as individuals, represent the best thought of the fashion centers of the world.

The best artistic skill of Paris, London, Vienna, New York and Cleveland is represented in these designs, all of which have received the approval of Madame Savarie, director of the Wooltex Fashion Bureau in Paris.

Here are the correct style features to look for when you choose your tailored suit or coat for fall and winter.

Natural Figure Lines	To be correctly dressed, your tailored suit must show the lines of the natural figure—not tight-fitting, but with graceful curves.	Skirts Have Plaits	Skirts are moderately full—two to two-and-one-half yards. The fullness is laid in soft rolling or closely pressed plaits.
Stylish Jacket Features	Most suit jackets are hip length, though slightly longer ones are also in style. Fur and velvet on collar, cuffs and lower edge is especially modish. The collars are wide, to be worn close about the neck or flat, with wide revers to correspond.	Coats With Graceful In-Curve	Coats have a graceful in-curve at the back, with full flaring skirts. Many handsome new models are big and loose, some being loosely belted to give the modish flaring outline.

WOOLTEX Tailored Suits and Coats embody all these authoritative style features. And to their stylish beauty are added the well known superiorities of Wooltex materials and Wooltex tailoring.

Give yourself the pleasure of seeing these new fall

styles now. Try them on, if you wish. See how becoming and graceful the new models are. Choose your suit or coat now. Have the pleasure of being stylishly and handsomely dressed throughout the full season.

Suits at \$15 to \$35
Coats at \$16.50 to \$45
Skirts at \$5 to \$15
